

# HADO Wellness Campaign

## *[Awareness & Energy Resonance]*

*A spiritual journey to quest true self*

Expanding self-awareness resonates to the negative energy rebalancing into the healthy state.

We will discover that all the components for the unconditional happiness we need are within.

## HADO Energy Scan Wellness Program

It is said that underlying any physical and mental symptoms are emotional energy.

Before the symptoms begin to feel, the energy balance of each part of the body begins to shift.

Alternatively, the current physical and mental symptoms are connected underlying sub-consciousness and consciousness emotions.

The awareness of the hidden emotions related to the present issues will open the door to the new life.

HADO Astrea MMXI & Kazutama KS-02

HADO Astrea MMXI transmits the distinctive frequencies base on the database and resonates with the particular objects with specific frequencies of the subject clients. At the same time, this device firmly measures every state about the information of biological energies by the moment. The result of measurement shows bioenergetics characteristics in every phase with detail graphic representation. Kazutama KS-02 restores the balance after scanning energetic phase. The device is not only restores but also creates personalized HADO water with imprinted personalised restoring energy frequencies to drink stabilising the restored energy balance. KS-02 restores balance energy of room (space) with negative energetic influence.
